Belts and Chains

An ancient darkness A powerful family And five friends bound by magic The Breakfast Creek five survived the attack of the Red General and their jaunt through the many worlds. Now, forever joined by magic beyond their understanding, they begin their new lives in very different magical worlds. But now Julia is missing, taken by an old power that yearns, that seeks, that's growing. The Power of the Allure. Enthrallled by a world of the wealthy, luxury and notoriety, Julia has no idea what she's gotten herself into. The story continues in this whirlwind tale, Book 2 of the epic adventure of five friends: The Travellers.

The Allure of Power

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.
