Bible Story

Jesus shared stories to help His listeners understand God. Through the Bible, His Word has endured through centuries, but many of the lessons are never taught to children in a way they can truly understand and apply it to their lives. Until now. The In School with Jesus series is designed to teach the Bible, while sharing the deeper meaning behind each of the stories. As a child navigates each grade, they will appreciate the daily practice of exploring the life that Jesus envisioned for each of God's children. As a teacher, you'll have each day of learning at your fingertips. Easy-to-follow lessons, classroom-tested methods, and be part of an 8-year lesson plan for children as you help them by example and easily incorporate teaching the Bible into each day of the school year for the students at your school. The In School with Jesus series shows you how to: Put God first in your classroom by being in the Word daily with your students. Take students on a journey through the Bible each year and connects God's Word to their lives today. Form a daily habit in the 8-year commitment of time with God. Build a relationship with Jesus one student at a time. Lead as an example to your students and parents that God comes first and always in your day. Bring a love for the Bible by connecting you with your students through Jesus and His teachings.

Grow Up in Christ

Engages children with multiple learning styles using a familiar medium—LEGO® bricks Building Faith Brick by Brick offers a culturally relevant, hands-on way to explore faith stories with a broad range of ages. It grew out of one congregation's realization that there was a large group of first-grade boys who needed to engage in a new way of interacting with the biblical story. Knowing how much Lego® bricks continue to be popular with children, the author dug deep into the well of creativity and an enormous bin of little plastic building bricks to meld together a new way of teaching the stories of God. This book offers the methodology as well as 30 Old Testament and 24 New Testament stories with lesson plans.

This treasure will be a great help to pastors, teachers, parents and grandparents as they, like the faithful mother and grandmother of St. Timothy, lead the little ones to understand the Sacred Scriptures. Throughout this Bible, high quality realistic art is used to fully engage the reader, rather than using cartoonish artwork that might suggest to children that the Bible stories are pretend rather than real. Instead of paraphrasing each story, they were drawn directly from the Bible while adjusting them for student readability. Other unique features included in this Bible are discussion questions, learning activities, prayers, and also a user's guide to explain how to use this Bible with children at different stages of development and reading levels. Whether for at-home use, in preschools, or as part of a congregation-wide children's ministry, this Bible will bring each story to life, leaving a meaningful and lasting impression on children from ages 3 to 8. Features: • 130 Bible stories drawn directly from the Bible • Focus on Christ with Old Testament prophecies included • Highlights challenging words • Beautiful life-like illustrations • Discussion questions • Learning activities • Prayers • Presentation page • Large readable text (14 point type) • Large 9 x 10 format, lies flat • Glossary • User's guide for different age levels
