soften your hearts

begin to deepen your breath

start to rock the head gently side

inhaling to smooth the heart

synchronizing the breath with the movement

lift the heart space up between the shoulder blades

maintain that external rotation of the upper arm bones

relax the weight of the head

wiggle the toes for a little massage

rise up to mountain nice and slow

bend the knees soft bend in the knees

bump the hips to the left

soften your gaze

stack the spine

bringing the left elbow up and over towards the outer edge

lift the back knee on the right leg

keep the right heel close in towards center

rest your head on the earth

use your exhale to soften

start to rise back up

work to stack the knees

bend the left knee

bringing the knees together the ankles

swing the legs to one side
